Online Bygdebøker at the National Library in Oslo

1. Enter the web address for searching at the National Library in Oslo: nb.no/nbsok.
2. On the left side of the page select "Bøker". (Unless you want another choice!)
3. At the top in the open box, enter the name of the bygdebok you want. The actual title is best but you can put in just the kommune name. Click on the magnifying glass or press "enter" or "return" on your computer keyboard.
4. Results should show titles with " - tilgang for alle" below the title. This means "Available for all." If it says "Tilgang for Norsk IP-adresser, you need to use a VPN to open it.
5. Here are the icons and explanation of each.
